

FIND YOUR CONTAINER

Sunshine Self Storage site plan

Getting in and out

- 1 Alarm keypad, outside the gate**
Turn off the alarm with your own code before you enter the site, and remember to turn it on again when you leave the site.
- 2 Card reader, outside the gate**
Swipe your access card to open the gate. It closes behind you.
- 3 Card reader, inside the gate**
Your card opens the gate again when you leave.
- 4 Letterbox**
A slot in the front fence.

Good to know

- Access to the yard is available from 5am until 9pm, 7 days, 365 days a year.
- Drive right up to your container. Its number is on the plan.
- If an alarm isn't turned off within one minute, a security officer or the police can be sent.
- Don't let anyone you don't know follow you through the gate.
- Keep everything inside your container.
